All lessons will be conducted using Students own sewing machine.

• Learn to Sew Garments •

Start with sewing machine safety, basics about fabric, pinning, cutting and basic sewing techniques. Claudia will guide you through the techniques of using elastic, putting in zippers, setting in sleeves, sewing perfect collars, and so on. Each project will take you through more and more challenging aspects of sewing. Soon you will be sewing anything you desire and adding your own personal touch to that special design.

• Learn to Sew Home Decor •

Have you ever had a hard time finding the curtains to match your room? Or that accent pillow to go on your sofa? Only to find that you have last years colors? Well, now with Claudia's help you can go to the fabric store and find just the perfect fabric to compliment your décor. With professional instruction you will learn to sew simple pillows to full length draperies, or anything in between. See how you can sew exactly the style you want and save money.

• Sewing Machine Basics •

Do you have a sewing machine but are not comfortable with using it? Or do you use only part of what your machine offers for fear of messing something up? Let Claudia guide you through all the potential your machine has to offer. Learn basics, such as proper threading, bobbin winding, needle position, tension, maintenance of your machine and also tap into the special features your machine offers. Let Claudia open a world of creativity for you and your machine.
